Teladoc® general medicine and mental health care services — by phone or video

24/7 access to quality care

After hours? Can't get to the doctor's office? Teladoc connects you with board-certified doctors anytime. They can treat many nonemergency medical issues by phone or video. You can request visits three ways: online, via the Teladoc app or by phone. You can speak to a doctor "on demand" in minutes.* Or schedule a time that's more convenient for you. We know urgent care and emergency room visits can be costly and time-consuming.

Go to [Teladoc.com/Aetna](https://www.teladoc.com/Aetna) to find out more and set up your Teladoc account.

*Ten minutes is the median wait time for an on-demand visit, but wait times may be longer during peak hours or seasons. On-demand consults are guaranteed within an hour of request or are free of charge. Idaho is video only; Arkansas and Delaware require video for first visit every 24 months.

Participating urgent care centers

Say goodbye to ER visits and hello to savings

If you have an urgent but not life-threatening medical issue, think about using an urgent care center.* These centers can treat sprains, the flu, minor cuts and more.

There are over 3,000 participating locations. Many are open seven days a week, with no appointments needed. You'll typically pay less** — and cut your waiting time, too. Look up the nearest urgent care center on [Aetna.com/dse/custom/bmcs](https://www.aetna.com/dse/custom/bmcs). Or use the mobile app.***

*Member responsibility may vary based on plan design; for some plans, copays apply. Emergency room (ER) copays are typically higher than walk-in clinic copays.

***Standard text messaging and other rates from your wireless carrier may apply.

Participating retail walk-in clinics

Easy access, with no appointments needed

When you're a "little bit" sick and it's after office hours, try a retail clinic. Visit one for minor illnesses like strep throat, injuries like a sprain and even vaccines.

You'll enjoy:

- Convenient hours, with some open seven days a week with night and weekend hours
- Lower prices, such as an average of \$81 per clinic visit compared to the \$750 to \$1,000 average emergency room (ER) price*¹

We have many stand-alone and store-based clinics nationwide. Find them in our online directory at
